### Antioch Population Now 1,643; Firemen Take Census For Village

#### Powles, Herman Submit Plats to Village Board; Oakwood Knolls Grows

Antioch has had better than a 26 per cent increase in population in the last five years, according to a hurried census taken by the Antioch fire department.

The population is 1,643 in contrast to 1,300 in 1950.

The firemen were asked by Mayor James McMillen to take a cursory count as an approximate amount of population increase so that the board will be able to decide whether an official interim census will pay off in added gasoline tax revenue.

McMillen and the board had made no decision at the board meeting Tuesday when the firemen made their report. There was indication, however, in view of the probability of two new subdivisions and many more homes in the Oakwood Knolls subdivision this summer that the board might delay the official count until next year when an even greater population would be recorded.

**Two Plats Submitted**

Plats were submitted to the board of trustees for preliminary approval by Albert Herman whose estimated 23 lots will lie west of Main st. north of Orchard st., and by Frank Powles, former trustee, whose subdivision of a similar size is in the old Warriner subdivision area, likewise west of North Main st.

The two subdivisions will mean added growth to the village.

Permission was given to the Loon Lake Plumbing Co. to make taps under inspection at Oakwood Knolls. The promoter of the subdivision said that a firm under contract such as that company would provide speedier service and savings not now afforded by firms on call.

The board members told representatives of the Little League that they will provide a sewer for toilets which the organization will erect at Williams Park. The Little League group will be given materials and help to erect the toilets.

The sanitary sewer will run past the library and serve it too. Another sewer is considered for the proposed new swimming pool.

### Northwest Conference Music Festival Here on Monday, April 25

#### Revelli of Michigan U., and Genuchi, Great Lakes Directors

With two important musical events, both district contests, behind it, Antioch Township High School's music department is now getting ready to entertain its third, the Northwest Conference Music festival.

The festival will be held in the school gymnasium at 8:15 p. m. Monday, April 25, and all of the best instrumental musicians and vocalists of the eight schools in the conference will participate, forming a large band, a mixed chorus, boys and girls choruses.

Music departments are already training their students in the preparation of a fixed program. They will assemble in Antioch on the Sunday afternoon before the Monday event for practice, and will return for the festival Monday evening.

William D. Revelli, famous University of Michigan band director, will direct the band, and Marvin Genuchi, director of the Great Lakes Blue Jacket choir, will direct the choruses.

Louis Chenette, Antioch High music director, whose department is host for the occasion, said that the event will be public and that the usual school even prices will be charged.

Vocal numbers will intersperse instrumental numbers and the program will end with the united band and chorus in "Battle Hymn of the Republic."

Participating high schools are Antioch, Bensenville, Elmhurst, Grant, Grayslake, Glenbrook, Palatine, and Wauconda.

### School Elections on Saturday Afternoon; Most Posts Contested

#### Two Precincts for H. School and But One for Grade School

With one election out of the way this week, voters are asked to give their attention next to the public school elections Saturday.

Voting will be from noon to 7 p. m. and for the Antioch High School board election the polling places will be at the school building in Antioch and the grade school building in Lake Villa.

Candidates will be Lester Hamlin and Elmer Rentner, incumbents, and Harold Wilson and William Horton.

For members of the Antioch Grade school board, voting will be at the school from noon to 7 p. m. The candidates are Robert Lindblad, Robert Taylor, Helen H. Kopriva, Homer White and Dr. A. N. Berke for the three-year term and Bruno Manzano for the one-year term.

Unfortunately the election falls during the climax of Holy Week which will detract from the interest in voting, it is believed. On the other hand the importance which schools play in the community and in taxation, the election will deserve much interest.

### Antioch Wins 7 to 4 from Richmond High; at Grayslake Today

Antioch High opened its baseball season Tuesday with a 7 to 4 victory over Richmond on the local diamond. Today Antioch plays Grayslake there.

The Richmond game was ragged at times owing to lack of outdoor practice for the two teams, but there were likewise some sparkling performances.

The visitors had the better of the argument until the sixth inning. They bunched four hits in the third inning off Fred Clarke and pushed four runs across, making the picture a dark one until Mike Haviland speared Brunswick's line drive and doubled Schmitt off second for the final out.

Haviland pitched three innings and then was relieved by Swanson. The Sequoias scored in the fifth and in the sixth took advantage of Richmond's many misplays to score six times, placing the game on ice. Richmond failed to score in the seventh. The summary:

Richmond	0	0	4	0	0	0	4-5-3
Antioch	0	0	0	1	6	7-8-0	

Batteries—Antioch: Clarke, Haviland, Swanson and Meyers; Richmond—Bob Miller, Jarrett, Brunswick—Larson and Harris. Three base hits Haviland, Park, and Stillington. Two base hits, Meyer and Lindgren.

The lineup and substitutions for Antioch were Ballwanz and Strametz, left field; Walsh, second base; Swanson, left field and pitcher; Haviland, short-stop and pitcher; Brownlee, third base; Meyer, catcher; McMillen, first base; Stonis, shortstop and first base; Parker, right field; Layton, center field; Scully, pinch hitter; Clarke pitcher; Lindgren, third base.

For Richmond, the lineup was Meyers, shortstop; Stilling, left field; Shaw and Norris, first base; Miller, pitcher and right field; Schmitt, second base; Faerber, right field; Brunswick and Jarrett, pitchers; Christensen, third base; Papelka, center field; Larsen and Harris, catchers.

**Squad Sees Globetrotters**

Members of the Antioch basketball squad were guests of the management at the Harlem Globe Trotters-All Stars game Sunday in Chicago. The Globe Trotters won but they had to dispense with all of their humorous antics to do so. Sunday night they were defeated.

**More Funds Needed**

Last year scientists sought \$8,600, 532 in grants from the American Cancer Society, but because of lack of funds at hand, it could grant only \$5,242,167. Give to conquer cancer.

### GO TO CHURCH EASTER SUNDAY

That men may be endowed with new life and inspiration.

### First of Series of Talent Shows by A. T. H. S. Students to be Given April 14 at Grade School

#### Chauncey Hyatt, Pool Consultant, Speaks at Meeting Wed. Evening

#### Wesley Bantz, Inventor of New Type Pool Will Be Here Apr. 14

Members of the Antioch Lions Club Swimming Pool committee and other interested persons of the community gained much information and entertainment from a lecture and colored slides presented by Chauncey Hyatt at a meeting held last night (Wednesday) at the Antioch Scout house.

The talk was informal and covered a variety of aspects of planning, construction and operation of a swimming pool. Pictures of a great many pools, both good and bad were shown, and the views were mainly taken from the air since Mr. Hyatt pilots his own private airplane.

Hyatt approved the suggested site for the pool on the village park, subject to test borings to ascertain the kind of subsoil at the site. He strongly recommended that proper subsoil drainage be provided for, saying that most cases of cracks in cement pools are caused by moisture in the earth under the pool.

After the talk, the meeting was thrown open for a question period and a great many questions were answered.

#### Bantz Here April 14

Wesley Bantz, Lansing, Mich., famed for his novel design of modern swimming pools will meet with the committee on April 14. The Bantz pool is a type which is built completely above the ground, much in the shape of an inverted straw hat, with the filters, machinery and bathroom facilities under the walk surrounding the pool.

Bantz has indicated that a pool of his design can be constructed for far less money than the conventional type.

### Date of Wrestling Bout Sponsored by A. Legion Only One Week Distant

Antioch area residents who have never seen wrestling on television will be able to see it at its best in the flesh as entertainment Friday night, April 15, at the Antioch Township High School.

The American Legion, for the second time, is bringing some of the top wrestlers to the village.

Headliners are Yukon Eric versus Ivan Rasputin who are big men and know the wrestling art.

In addition there will be a tag team match with Al Szasz and Billy Goetz paired against Benito Gardini and Zack Malkov.

Carl Engstrom and George Drake provide the third bout.

The battle will start at 8:30 p. m. Tickets are on sale through members of the Legion.

The income tax division of our government should be mightily glad the taxpayers have what it takes.

Agriculture, Engineering, Arts, and Sciences were the original units of the University of Illinois in 1868.

The first of a series of talent shows being presented by Antioch High School students will be given at the Antioch Grade school on Thursday, April 14. The program will consist of Robert Cain and his Cotton Pickers—Lenore McCord, Barbara Doolittle, John Kelly, Arlene Cribb; piano act by Rosemary Ballenger and Sally Nebel; tap dancing by Laura Hansen and Lillian McNeil; duet by Janet Rodgers and Mary Lou Seyfarth; cornet solo by David Cain; "Casey at the Bat," a pantomime by Dave Valkenaar, Frank Albert, Richard Vlk and Albert Mani; Magician act by Fred Clarke; pantomime by Joan Burton; accordion solo by Ronald January; pantomime by Joanne Haydon and Rosalie Morris; a Spanish dance by Rosa Rogers; and a fashion show by Bill Barnstable, Jerry Huml, Frankie Dornier, Roger Plechaty, John Matteoni and Lynn Bolton.

The 12 acts were selected by a faculty-student rating committee as those which would perhaps be the most enjoyable to grade school students. All acts were previously presented on a series of school assembly programs, at which time the student body rated the acts according to originality, talent and over-all presentation.

All acts are under the supervision of the respective class sponsors. The over-all presentation and final dress rehearsals will be directed by Don Chiappetta, a Junior class sponsor. The master of ceremonies will be James McMillen.

The same grade school talent show will be presented at the Lake Villa Grade school on May 2.

There will be two other presentations of selected talent from the various classes. A series of 13 acts will be taken to Downey hospital to perform on Thursday evening, May 12.

The other program with the 14 outstanding top-rated talent acts will be presented to the community in the Antioch High School auditorium on Saturday evening, May 14.

There is no admission charge to any of the series but the community program on May 14. Tickets will be on sale at a later date by the Student Council.

#### Start Sewing-Cooking Class

The first sewing and cooking classes were started by the Antioch Acorns 4-H Club at its meeting March 28. The members decided to drop the party-a-month project. The next meeting will be on April 25 at the Scout House.

#### No School Friday, Monday

Antioch's public schools will close this evening until Tuesday morning for the Easter vacation. Beyond the regular week-end intermission, Friday and Monday will be observed as holidays.

#### Drive Progressing Well

Mrs. Robert Berg, local chairman for the American Cancer Society drive, says the response has been good so far to 1,200 letters sent to residents of the township last week. Antioch's quota is \$675.

#### Firemen Busy Saturday

Antioch firemen were called to extinguish five grass fires within one hour Saturday afternoon. They received a call in the morning.

### Channel Lake School Voters Will Decide Bldg. Addition Sat.

Voters of Channel Lake School district number 35 will go to the polls Saturday to decide whether or not the school board shall be empowered to issue bonds in the amount of \$60,000 with which to purchase additional land for sanitary drainage purposes and to erect an addition to the school building. The addition, which has been termed an "all purpose room" would serve as a gymnasium.

Interest among voters of the district is high, with opinion divided as to the advisability of going ahead with the project, which should make for a large turnout of voters.

One view on the proposition is set forth in the following editorial, submitted by a member of the school board:

"Keeping the school facilities abreast of our continuous growth has been a serious problem confronting your school board. An addition to the school was recently completed, providing adequate classroom space. But, in order to complete what we now feel is a good school system, an "All-Purpose Room" and a better system of sanitary drainage is needed.

"What's a child worth in years to come? That's an impossible question of course. But if it is, then why do you hear so many people asking it? Or you think you don't hear it. We tell you that you do. You hear it everywhere as commun-

(continued on page 5)

### A. T. H. S. Band Wins Excellent Rating in District Competition

Antioch High School's band won an excellent rating in the district contest here Saturday and as a result will be eligible to enter the state contest at Western Illinois University at Macomb.

Grayslake, the only Lake County band to receive superior rating, and Wauconda, which like Antioch received excellent rating, or second place, will also go to the state contest.

McHenry county schools got more than their share of superior ratings. McHenry High school won the top honor in orchestra and boys chorus suit will be eligible to enter the state as the only contestant in those departments, and in girls chorus, while Alden-Hebron won the same honor in band and mixed chorus.

Wauconda and Richmond-Burton won excellent rating in mixed chorus, Huntley, Marengo and Richmond-Burton won good rating, or third place in band, and Wauconda placed third in girls chorus.

The organization's contest was well arranged and conducted under the direction of Albert Dittman, principal of the school and Louis Chenette, A. T. H. S. music director. An estimated 600 students attended the contest.

### Central High School Calls Special Meeting For Thursday Apr. 14

A special meeting of all parents and voters of Central High school has been called for 8 p. m. Thursday, April 14 at the school to discuss the educational problems through increased enrollments. The board is asking the electorate to aid it in deciding on specific issues which now confront the school.

Central High is a comparatively new school, but it is already becoming well filled and future enrollments will find it overcrowded.

#### Olson Heads Men's Club

Clarence Olson was elected president of the Methodist Men's club at the Monday night dinner meeting. Other officers are O. R. Kresse, vice president; William Hansen, secretary; and Robert Irish, treasurer. The Rev. Ted Loeppert, pastor of the Grace Methodist church at Rockford, was the speaker.

#### Father Dies at Algonquin

Funeral services were held last Friday in Chicago for Otto Olson, 91, of Algonquin, father of Mrs. Hugo Gustafson of Antioch. Mr. Olson was noted for the fact that he once served as gardener for the King of Sweden. He had lived at Algonquin 24 years. Besides Mrs. Gustafson, two other daughters, two sons, and the widow, Mrs. Hannah Olson, survive.

### Record Vote Cast in Both Antioch Lake Villa Twps.

#### Fred Popp Elected Road Commissioner in Lk. Villa

#### All Victories Decisive; Rosing Ends Long Term of Good Service

Twenty-five hundred of Antioch Township's 3,500 voters—a record turnout for a town election—went to the polls Tuesday with the result that Lloyd (Red) Murrie was elected supervisor, James Runyard, highway commissioner, and Richard Seyfarth, justice of the peace.

Without opposition Myrtle G. Biel and Richard Whitacre became library trustees for six years and O. Robert Kresse for four years.

It was a day of surprises with the results uncertain until the tallies commenced to come in. There it was readily seen that there would be no strictly close races although all candidates got a good vote.

Running his first political race, Murrie surprised even himself in carrying every precinct for a total of 1,141 votes. In his victory he unseated a veteran in politics, William A. Rosing, whose many years of fine service to the township will not be forgotten.

Finishing in the order named were Rosing, Anthony J. Scully, Joseph Farrin, John O. Olsen, and Jack Wolff.

James Runyard, member of one of Antioch's pioneer families, outdistanced his rivals for the road commissioner, winning in four of the five precincts decisively. His total of 1,269 practically doubled that of his nearest opponent, Henry R. Palm, who ran a good race. Richard Waters was third, and Gile Edwards fourth.

Richard B. Seyfarth won every precinct in defeating Jack Stieber, who nevertheless received a good vote for the justice of the peace position.

#### Record Vote at Lake Villa

In Lake Villa township where the only contest was for highway commissioner, Fred Popp, police chief and formerly a highway assistant, won easily over Warren Sheahan and Marvin Walker.

Unopposed for trustees of the township library were Mrs. Gertrude Blust, Henry M. Bennecke, and Mrs. Amy S. Proske.

The 1,467 votes cast constituted on all time high for a township election in Lake Villa township.

### Resurrection of Christ Uppermost Sunday in Interest of Christians

#### Special Easter Services in Antioch Churches Ending Holy Week

Elections will be forgotten and those of the Christian faith will turn their attention to risen Christ Sunday in special services.

Easter will see the Antioch churches crowded and the special music and inspirational services will well repay the people for their attendance.

Services during Holy Week were held in the various churches this week. At St. Peter's Catholic Church today there was Adoration of the Blessed Sacrament all day and all night long. From 8 p. m. to 9 p. m. there is Holy Hour.

The Rev. Alfred J. Henderson announced other services for the week are as follows:

Friday—Mass of the Presanctified, 8 a. m.; Stations and Veneration of the Cross, 3 p. m.; Stations, Sermon, and Veneration of the Cross, 7:45 p. m.

Saturday—8 a. m., Blessing of the New Fire, Easter Candle, Easter Water, and Baptismal Font; 9 a. m., High Mass and Holy Communion; Confessions 4 to 5:45; 7:30 to 9 p. m., Sunday—High mass, 10 a. m.; low masses 6, 8, 9 and 11 a. m.

**Methodist Services**

Two services will be conducted Sunday at the Antioch Methodist church. The first will be at 9:30 (continued on page 12)

### Farm Machinery in Evolution

Each year, at roughly the same time, all the makers of automobiles bring out new models. Minor and major changes alike are extensively advertised, in the hope that motorists will decide after one season that their cars are pretty well out of date and they'd better get aboard the band wagon. And millions of motorists do just that.

The situation is different in the case of tractors and other modern farm machinery. The farmer buys these tools on a basis of need and utility—not because of the attractions of chrome trim and sleek lines. But, like the automobile, farm equipment is also in a steady process of evolution and improvement.

Thirty-odd years ago, for instance, about the sole mechanical power available to farmers were big, ungainly tractors, suitable only for field crop operations on the largest acreages. Now there is power equipment available for practically every agricultural job, including the most specialized. The improvements and the innovations are a testimonial to the vigor and progressive spirit of our competitive farm equipment industry. It is a common practice, incidentally, for the industry to consult with farmers on new ideas, and to test them under practical farming conditions.

All this has a great bearing on the value the farmer gets from his machinery dollar. The cost of equipment has naturally risen as wages and taxes and prices in general have risen. But the machines do more work in less time and with less labor. They require less maintenance and upkeep, if properly cared for. They are safer to use. When everything is added up, the farmer receives more for his money than ever before.

\* \* \*

### Higher Prices and Less Employment

Various proposals have been made for increasing the federal minimum wage. That of the Administration would raise the minimum from the present 75-cent-an-hour level to 90 cents. Another would boost it to \$1.25. And, along with this, a drive is on to extend the wage to certain kinds of enterprises, of which retailing is one, which are now exempt.

These may seem like reasonable and humanitarian plans—on first glance. But there are serious dangers involved, affecting consumers, business, and workers themselves. To take an example, if the wage were raised to 90 cents, which is the lowest figure proposed, the cost to major retail operations might be increased by as much as six cents for each dollar of sales. That is more than the entire net profit earned by most retailers.

How could this new and artificially-applied expense be handled? Some of it, no doubt would be passed on to the consumer in the form of higher prices. But retail competition is exceedingly stiff today, and so it is inevitable that every effort would be made to affect operating economies—such as more

self-service—which would reduce the employment rolls. So, many marginal workers, instead of receiving a new and higher minimum, would have no jobs and would receive no wage at all. And they would not be able to obtain the skills and experience needed to qualify them for better-paid tasks.

Thus, these wage proposals threaten higher prices, decreased employment, or both. Nobody really benefits when that happens.

\* \* \*

### Price Is Not the Only Arbiter

At recent Labor Department hearings, John L. Lewis charged that the TVA is paying "intolerable and unjustified prices for coal." He added that it has used its powerful influence to force wages in non-union mines down to extremely low levels. Mr. Lewis, along with representatives of the union mines, which account for most of our soft coal producing capacity, also contended that for the government to purchase coal purely on the basis of the lowest price offered is unfair to union miners as well as to the industry.

There can be differences of opinion as to how this situation should be remedied. But certainly it is unwise and destructive for government or any other purchaser to buy commodities at prices which undermine the seller's economic structure, and which force him to pay wages below the generally accepted figure. And when the seller in question is so basic and vital an industry as coal, the problem becomes grave and far-reaching indeed.

A government agency has a duty to the taxpayers to buy what it needs at fair and reasonable prices—just as an industry owes that same responsibility to its stockholders. Every safeguard should be established to see that government does not pay excessive prices. But price can never be the sole arbiter of the wisdom of purchase. Unless that price is sufficient to meet the going wage standards, and to return the seller at least a little profit, it is unsound. The future welfare of the country is infinitely more important than a dubious "bargain" obtained today.

\* \* \*

### The Low Down From Hickory Grove

"Fool things" I have heard is the topic. And what is foolishness or froth is what keeps an editor on his toes—what to print makes his dilemma chronic.

Some examples. Let little Pansy and little Jasper develop in their own mode even if it is rubbing honey into the divan upholstery. Freud, you know. And juvenile delinquency grows as does the proverbial green bay tree. And another to worry ye ed. "Communism develops and grows via ignorance." And Mr. Ed. knows that the lefthanded man or dame with the socialist notions uses words with more syllables than does half the populace or even his ownself.

"Women will clean up politics—brighten the morning sun—sweeten the landscape. Remember? And "Let's vote bonds for a light plant or a water works and take the profit our own selves." Sounds grand. And with such a tax exempt project on the town's hands, the bite is put on the citizenry to pay the fiddler. The citizenry gains one more useless headache per each project.

Editors have their frothy problems but you don't fool 'em too often. Like the two street sweepers eating their lunch alongside the curb. Cassidy says to Dugan, he says, Dugan, that fly buzzin' and botherin' me must think I am a big hunk of old gorgonzola or something. Well, says Dugan, you, know, he says, Cassidy, it is hard to fool a fly.

Yours with the low down,

JO SERRA

### Auxiliary News

#### Child Welfare

The Child Welfare program of the American Legion Auxiliary is one of the most important of all its activities. "A Square Deal for Every Child" is the slogan of The American Legion and its Auxiliary. Although the work encompassing Child Welfare is carried on throughout the entire year, the month of April is set aside to stress the activities of this program. This year the American Legion Auxiliary is putting special stress on objectionable comic books being eliminated from children's regular reading literature, by offering to give children good clean comic and other books to read in place of such literature.

The State Auxiliary program pro-

vides for a Christmas gift to every child of a veteran in an Illinois institution; it assists in the care of children in the Illinois Soldiers' and Sailors' Children's school at Normal, Illinois; contributes to other agencies organized for benefiting children; provides canteen books for boys and girls at St. Charles and Geneva schools; and contributes to the Municipal Tuberculosis Sanatorium for children.

#### Pan-American Study

In order to cement closer relations between the United States and our Latin-American neighbors, the American Legion Auxiliary studies one Latin American nation each year. In this way they become acquainted with their habits, their countries and their peoples. This year the Auxiliary is studying the country of Panama. The Pan-American study

chairman for Antioch unit, Mrs. Agnes Hills, has prepared a special program for Unit members, on April

22 at the Legion Home. Our U. S. Government has proclaimed April 14 as Pan American Day in accordance with the Latin-American nations.

#### Auxiliary Loan Fund

Educational aids, available to children of veterans are listed in a booklet entitled, "Need a lift?" prepared by the American Legion, announces Mrs. Nellie Hanke, chairman of the Auxiliary Loan Fund and Scholarships committee of Antioch Unit 748 of the American Legion Auxiliary.

In Illinois a \$600.00 scholarship is available to a high school senior

girl through the Illinois State Department of the Auxiliary. The distinctive, uniform requirements for applicants is that they be orphans of veterans. Selection of the winning applicants will be made shortly after May 1st, the deadline for receiving applications.

Other scholarships are the Auxiliary's National President's scholarships awarded on the same basis as that given by the Illinois Auxiliary Organization. Ten of these are awarded in the nation. Of these ten, two are allocated to the Central Division of the Auxiliary of which Illinois is one of the states.

Real need of financial assistance, good character, high Americanism ideals, leadership and scholarship are the basis on which the candidates are selected. Daughters of deceased veterans, eager to continue their education, should inquire of their local American Legion Auxiliary Unit president for rules governing this contest.

The Auxiliary Loan Fund, Illinois' own educational program, is a revolving fund created to give necessary assistance to children of veterans of both world wars, needing loans to further their education.

## THE 100-MILLION-DOLLAR LOOK!

CHRYSLER WINDSOR DELUXE V-8 4-DOOR SEDAN

## A motorcar named TERRIFIC!

Take the word of the many thousands who have been switching to the beautiful Chrysler Windsor Deluxe V-8—

There's an excitement about this stunning new car that's contagious. You'll feel it at the wheel. Your passengers will feel it. And those who watch you flash by will feel it, too!

You'll be absolute master of eighteen feet of sleek and stunning new motorcar styling. And it's a lot more than just a new look... it's a thrillingly different look from anything else you'll see, no matter where you drive.

By measurement, Chrysler is inches lower than other big cars. It's longer than ever—a breathtaking sweep of tailored steel that, even at rest, suggests pure motion.

You sit behind the only windshield that "wraps around" both top AND bottom to accent the car's look of forward motion. And it's this sweptback design that makes Chrysler's Super-Scenic Windshield the safest to see out of!

The wonders never cease, especially when you start driving. In the Windsor Deluxe with its brilliant new Spitfire V-8 engine, or the 250 hp New Yorker Deluxe... and with PowerFlite automatic drive... you get a head start that's for keeps. And no other car in the world gives you Full-time Power Steering or bigger, smoother, safer Power Brakes!

Your Chrysler Dealer wants to show you the biggest dollar-value car on the road today. Stop by soon for the greatest motoring experience ever. Ten-to-one you'll call it "Terrific!"

## HICKORY

Mrs. Chris Paulsen, her daughter Mrs. Leo Fitzgerald and her little daughter, all from Whitewater, Wis., were luncheon guests of Mrs. Wilson King on Wednesday. Afternoon visitors were Mrs. Vernon Sorensen from Waukegan and Mrs. Elmer Bownette of Gurnee.

Mrs. Curtis Wells and Mrs. Andrew Magiera accompanied Father Hood and Mrs. Stillson of Antioch to Chicago on Thursday where they attended the conference of churches held at St. James church.

Mr. and Mrs. Bert Edwards and Miss Doris drove to Milwaukee Sunday afternoon and visited Mr. and Mrs. Rowland Christoffersen. They also visited the Conservatory and Zoo at Washington Park.

Wayne Finkel arrived home Saturday from Wabash College, Crawfordsville, Ind., for a ten day Easter vacation.

Rev. L. H. Messersmith of Millburn was a caller at the Earle Crawford home Monday afternoon, April 4.

Mr. and Mrs. Aldo Koepsel from Waukegan were Sunday afternoon visitors at the Wilson King home. Other guests were Mr. and Mrs.

James Dorsey and daughter of Lewis ave. and Mr. and Mrs. Leo Fitzgerald and children of Whitewater, Wis.

Mrs. Wm. Strahan of rte. 173 arrived home Wednesday from a 2 weeks visit at the home of her sister, Mrs. Wilfred Grant in Toronto, Canada.

Mr. and Mrs. Thorwald Maureston and son Bobby of Waukegan were Sunday afternoon and evening guests at the N. C. Christensen home.

Guy Simmons of Waukegan was a caller at the Earle Crawford home on Friday afternoon.

Jerry Hunter was a guest at a church wedding in Bristol, Wis., Saturday evening.

Mrs. George McNeil of Kenosha spent Tuesday at the Fred Leable home.

Sunday visitors at the Curtis Wells home were Mr. and Mrs. Raymond Wells and family and Mr. and Mrs. Harold Butler and children of Waukegan, Mr. and Mrs. Warren Wells and baby of Gurnee and Mrs. Andy Magiera and son Glen of Bean Hill.

Mrs. Kenneth McNeil arrived home Saturday from a two weeks vacation spent in Sandusky and Cleveland, Ohio.

**Big news about**

## Buick's 4-Door Riviera

**THIS** brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.

**For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus full sedan room in the rear.**

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's

original 2-Door Riviera—and luxurious new spaciousness in its full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors hinged at front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hip-room extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine—the swift getaway and gas saving of Variable Pitch Dynaflo\*—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped move Buick into America's "Big Three" of best sellers.

**But—come see us about the 4-Door Riviera now.**

With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.

\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

# MILLBURN

Services at Millburn Congregational church this week will include Maundy Thursday and Communion services Thursday evening, April 7, at 7:30 o'clock when new members will be received into the fellowship of the church. There will be a sunrise service at 6:15 Easter morning followed by breakfast at 6 o'clock for which reservations must be made by Saturday morning. There will be two services Easter Sunday morning, one at 9 o'clock, the other at 11 o'clock.

Baptismal services were given Sunday at the church service for Karen Sue Yopp, daughter of Mr. and Mrs. Lawrence Yopp, Judith Ann Engh, daughter of Mr. and Mrs. Clayton Engh; James Randall and John Kevin Elsbury, sons of Mr. and Mrs. Milford Elsbury; Sharon Lynn Prange, daughter of Mr. and Mrs. Herbert Prange. Mr. and Mrs. Austin Anderson of Kenosha, Wis., acted as sponsors for Sharon Lynn.

Mr. and Mrs. Leslie Bonner spent Sunday in Elgin and attended church services where their granddaughter, Gwen Kristine Stahnke was baptized. They were dinner guests at the Vernon Stahnke home.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the Frank Edwards home Tuesday afternoon. Members of the Mylo club met at the home of Mrs. L. H. Messersmith Tuesday evening with Mrs. Bert Davis as co-hostess. Officers were elected as follows: President, Norma Welch; vice president, Mildred Bonner; secretary, Louise Truax; treasurer, Patricia DeYoung. One guest, Mrs. Richard Shubert was present. A silent auction of white elephant articles was held.

Mrs. Frank Hauser and her mother, Mrs. Anna Huff spent Tuesday with Mrs. Orville Hairrell, Jr., in Waukegan.

The second meeting of the Millburn Maidens 4-H club was held Tuesday evening, March 29. Officers were elected as follows: President Judy Paulsen; vice president, Sandra Stephens; secretary, Margaret Paulsen; treasurer, Lynn Sundin; reporter, Marie Ryan. The next meeting will be held April 19, when the members will give a waffle party for their mothers.

Millburn unit of Home Bureau will meet at the home of Mrs. L. H. Messersmith Friday evening, April 15. There will be a silent auction.

Ray Hauser of Stephenson, Michigan was an over night guest at the H. M. Clark home Tuesday.

Mr. and Mrs. Robert Hughes are the parents of a daughter born Tuesday, March 29 at Condell hospital, Libertyville. The baby has been named Robin Ann.

Mr. and Mrs. Thomas Harness spent the week end with Mr. and Mrs. C. C. Nelson in Brookston, Ind.

and Mr. and Mrs. Eugene Bunnell in Monticello, Ind.

There was a good attendance at the open meeting of the Men's club Monday evening when films of hybrid corn and hybrid chicks were shown through the courtesy of the DeKalb Hybrid Seed Co.

Mr. and Mrs. Harry Matthews of Wauconda were supper guests of Mr. and Mrs. Eric Anderson Sunday evening.

Rev. L. H. Messersmith showed an educational film at Millburn school Tuesday morning.

Julia Hughes and Myron Gaddie of Chicago spent the week end at the A. G. Hughes home. Other callers Sunday afternoon were Leslie Fisher of Des Moines, Ia., and Mr. and Mrs. Marshall Fisher of Sycamore.

Mrs. Eva Alling of Waukegan was a caller at the Frank Edwards home Sunday evening.

Mr. and Mrs. James Bonner and daughter, Barbara, of Kansasville, Wis., the Clayton Engh family of Wadsworth and Mr. and Mrs. Walter Fontaine were dinner guests at the H. M. Clark home Sunday.

Mrs. Ray Boller, Mrs. Eric Anderson, Mrs. William Paulsen and Mrs. Chalmers Wooley attended the meeting of Lake County Council of Parent-Teachers Association at the Antioch Grade school Tuesday evening.

A social publication states television might be a strong contributing factor to the increase of our birthrate in the U. S. "Making us a nation of families again" is the report. No matter how you look at it, it is the wonder-creation of our age.

For us at COURTEOUS TV it is particularly wonderful, because we're in the middle of it all, so to speak. We meet a lot of nice people every day handling the problems of keeping the best of TV viewing in the home.

To do the best job we're getting the latest bulletins from electronic institutions which keep us up-to-date in a fast, changing industry. Service instruments and techniques, types of sets and color are improving steadily.

In connection with these ideas, we're going to appear in this newspaper every week and let you know about some of the interesting subjects and experiences that come our way. We're sure that this column will be enjoyable and make your TV viewing more appreciative.

# No other low-priced car even comes close

to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motorama Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

**The beauty's built in—not bolted on!** And that makes a big difference—not only in how your car looks today, but in how it will look tomorrow, too. Chevrolet's good looks spring from fine, clean, uncluttered design. The beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

### The Body's by Fisher!

No other low-priced car has a Body by Fisher—but many of the high-priced cars do. That fact alone tells you there must be something extra special about the style, quality and construction of Body by Fisher. And there is! You can see it, feel it and even hear it when you slam the door.

### Today's most modern engines!

That goes for Chevrolet's new V8 and two new sixes as well. For example, all Chevrolet engines bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. This means quicker cold weather starting and a greater electrical reserve. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry,

and develops the highest power per pound of any V8 in the low-price field. It takes valve-in-head leadership like Chevrolet's to bring you truly modern engines like these!

### A drive to suit your driving!

You can take your choice of three different drives—and every one's as modern as this minute. There's silky, peppery Powerglide, new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

### All the power helpers you want!

Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish.

And you can even have air conditioning if you like. These things are extra-cost options, of course, but they more than repay you with extra pleasure.

### Fun is "standard equipment"!

You find that out the first time you take the wheel of a new Chevrolet. Here, you discover, is a car that takes the curves like it's on rails, that steers like it's reading your mind. It seems simply to ignore bumps—and when you stop suddenly, there's no excessive lurching or diving, either. There has never been such a difference in low-priced cars as there is today—or so many good reasons why you should drive a new Chevrolet. Come in and take the key.

**Over Ten Million Chevrolet owners—Two Million more than any other car!**

## Channel Lake School....

(continued from page 1)

ities cope with their local school problems, as the debate about the taxes needed to pay for schools, additions, sanitation, problems, and equipment and teachers and books. "Your children are priceless but also remember your children are something special to the community as well. They are undeveloped resources, if you do not mind the fancy term. They belong to everybody including childless taxpayers. The responsibility for developing them is everybody's. Benefits of such development belong to everybody. Somewhere in school today there may be a child who will discover the cure for cancer, another who may become our greatest president."

"Physical well-being of our future citizens—our community—is as important as book learning. When you consider individually the better things of life such as a car, TV, a home full of conveniences and gadgets, some sort of vacation each year, you can say the cost your School Board asks you to pay of about 1½ cents a day (less than a daily newspaper), or 12c a week based on a real estate tax valuation of \$4,000.00 is too much?"

"We are lucky that we can afford this right of choice."

In opposition to the proposition and asking that the voters turn down the proposition is the Lake County Civic League.

Following is a release from the League:

"Opposition to the \$60,000 bond issue of School Dist. No. 35 to be voted on April 9, was voiced today by the Lake County Civic League. The purpose of the bond issue to add an all purpose room and improve sanitary and drainage facilities. James A. Rust, Executive Secretary of the league stated that the league's no vote recommendation was based on the fact that the Channel Lake school board had entered into a negotiated sale of their bonds at 3½ per cent. This procedure does not assure the taxpayer of the best possible interest rate on their

bonds. 'The league' Rust commented, 'is recommending a no vote.' This is consistent with our policy of opposing negotiated bond sales.

"To sell bonds in this manner is not in line with good public policy in handling public funds and the only way the contract with the bond house can be broken is for the voters to defeat the proposition at the polls April 9. Then the issue can be re-offered to the voters without the objectionable bond contract and open to competitive sale of bonds after a referendum. This is the only way the school board can be sure that they have received the lowest possible interest cost."

"Interest on bonds,' Rust concluded, 'is one good way to save money for our schools without jeopardizing the educational function.' Defeat of this bond issue would enable the school board of Dist. 35 to proceed with another proposition that would fully protect taxpayers against excessive interest costs."

Polls for the election will be opened at the Channel Lake School at 12 noon and close at 7 p. m.

## LEGAL NOTICE

ELECTION NOTICE

For Board of Education of School District No. 34

Notice is hereby given that on Saturday, the 9th day of April, 1955, an election will be held at the Antioch Grade School in School District No. 34, County of Lake and State of Illinois, for the purpose of electing two members of the school board of said district for the full term. Also, one member of the school board to fill vacancy for one year.

For the purpose of this election said school district shall constitute a single election precinct and the polling place is established at the Antioch Grade School, Antioch, Illinois.

The Polls will be opened at 12:00 o'clock Noon and close at 7:00 o'clock P. M., of the same day.

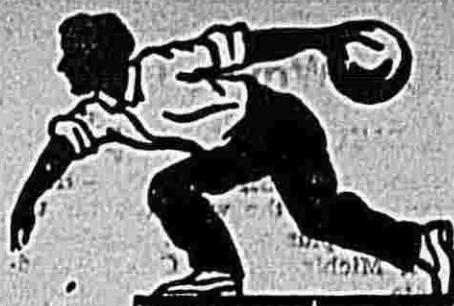

By order of the School Board of said District.

Dated this 24th day of March 1955.

Charles Wertz, President.

Attest: Elmer Baethke, Secretary.

## A PRIMER FOR PARENTS

Dedicated To The Happiness And Wellbeing Of Their Children

PLACE IN THE BAND IS A PLACE IN THE SUN

When you guide youngsters to music, you guide them to the most glamorous of all school "teams"—the band and orchestra.

They become superior children, envied children. Their music cheers the athletic teams to victory, lends spirit and excitement to all school functions, and places them in the spotlight at public events.

In the band and orchestra, too, the child develops qualities that mean so much in business success—poise, confidence, concentration and teamwork.

Here's why  
**MORE PEOPLE  
ARE BUYING  
PONTIACS**  
than ever before!

1. You can buy a big, 200-H.P. Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

2. Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8!

Biggest car at its price (122" and 124" wheelbases) • Most powerful car at its price • Only car at any price with distinctive Vogue Two-Tone Styling and the riding and driving ease of the Shock-proof Chassis.

You don't have to look far to find the reason for the tremendous surge to Pontiac. No further than the fact that only Pontiac produces cars that compete with the costliest in size, smartness and power, yet carry a price tag that is well under many in the lowest-price field.

That's what brings people in to see and drive a Pontiac—a value story they simply can't afford to overlook. And once they do—once they get a close-up of America's most distinctive styling... once they sample the superlative roominess and comfort of

Pontiac's luxury interiors... once they try the pulse-racing thrills of exclusive Strato-Streak V-8 performance—they lose interest in every car but this.

Come in and get the rest of the story. See, drive and price this high-powered future-fashioned beauty. You'll find that if you can afford any new car you can easily afford a Pontiac.

LOOK HIGH AND LOW AND YOU'LL GO

# SOCIETY EVENTS

## 300 Expected at G.A.A. Mother-Daughter Dinner at High School April 16

An attendance of 300 is expected at the annual Mother-Daughter banquet of Antioch Township High school at 6:30 p. m. Saturday, April 16. It is the eighth annual banquet sponsored by the Girls Athletic association.

Although the banquet is sponsored by the G. A. A., any girl in school may bring her mother.

Approximately 80 awards will be presented to the girl athletes by the G. A. A. sponsor. Trophies will be awarded to captains of winning teams. Also, the sportsmanship trophy will be awarded to a senior girl who was chosen by her classmates.

Miss Edie Jones will be the main speaker for the evening. She recently returned from a winter in Europe viewing the couture collections of Paris and Rome. Miss Jones received her Bachelor of Arts degree from Bowling Green State University in Ohio and went on to begin her fashion career in Los Angeles as assistant fashion editor on the Californian magazine, then on to an advertising agency as fashion co-ordinator. She was selected as one of Glamour magazine's "Ten Girls With Taste" in their nationwide contests and thus moved to New York to pursue her career.

There she was on the editorial staff of Charm magazine and later took the position of fabric stylist with Carson Pirie Scott in Chicago and finally became ready-to-wear fashion co-ordinator after directing a store-wide promotion on "The Magic of Miracle Fibers."

Decorations of the high school gym will have for its theme "Land of Dreams."

The dinner is being prepared by the cafeteria cooks. Alumni members from the classes of 1953 and 1954 will serve the meal.

The G. A. A. officers are: Phyllis Petersen, president; JoAnne Quilty, vice president; Garnet Behrens, secretary; Diane Van Hilst, treasurer.

## Lake Villa Club Women See Millinery Exhibit At Home of Helen Fath

A demonstration of making and decorating hats was given by Margaret E. Nauvils, Waukegan custom milliner at the seventh meeting of the Lake Villa Women's Club Tuesday evening, March 29, at the home of Helen Fath of Crooked Lake.

The business meeting was devoted to the discussions and aims of the group of young women who are striving for the betterment of the community for the children, and good will and friendship of the young women.

A report was made on the recent fashion show sponsored by the group. A committee was elected to select officers for the coming year.

Three former students of Mrs. Nauvils, Mrs. Ollie Martin, Mrs. Jacobs and Mrs. Smejkal showed some attractive hats they created.

The hostess, Helen Fath and co-hostesses, Pam Pavel and Emma Williamson served delightful Chinese refreshments to the five guests, Mrs. Nauvils, Mrs. Jacobs, Mrs. Smejkal, Mrs. Saunders and Mrs. Weismantel and the 26 members attending.

## LIBRARY BOARD MEETS; LIBRARIAN REPORTS

At the meeting of the Antioch Township Library Board held Wednesday, March 30, Mrs. Harden, the librarian, reported that the library had a circulation gain of almost 7,000 books. In 1954, there were 34,902 books borrowed by 2046 patrons in comparison with 27,960 books borrowed in 1953 by 1847 patrons. If interest to parents of the community is the fact that 56 per cent of the books borrowed were children's books. This in spite of the fact that only one-third of the 11,276 books now owned by the library are shelved in the children's rooms.

In the past year, 774 volumes were added to the library's collection, including a new set of the World Book Encyclopedia. Over 1,000 magazines were lent to library patrons and many books were borrowed from the Illinois State Library for patrons needing material of a technical or specialized nature.

## Miss Nielsen President IWU Music Fraternity

Mary Ann Nielsen, daughter of Mr. and Mrs. Sigurd Nielsen, North Avenue, Antioch, was recently elected president of Delta Omicron, national professional music fraternity for women at Illinois Wesleyan University, Bloomington, Ill.

Miss Nielsen is a sophomore in the School of Music, majoring in piano. She is a member of the University chorus, concert band, marching band, Independent Women.

Miss Nary Donovan, physical education teacher at Antioch High school attended the annual convention of the Midwest Association for Health, Physical Education, and Recreation at Columbus, O., March 31 and April 1.

## Fall Wedding Planned

## Pedersen-Dunkin Engagement Told

Mrs. Alfred J. Pedersen of Lake St. announces the engagement of her daughter, Alyce, to Thomas B. Dunkin, son of M. C. Dunkin, 2701 W. Ainslee st., Chicago. A fall wedding is planned.

## "Night in Italy" Theme of Emmons School Club, Movies, Supper Planned

Emmons School Mothers' club will hold its next meeting on Tuesday, April 12 at 8 p. m. at the school house. Following a short business meeting Mr. Melosi, one of the fathers, will show colored movies of his recent trip to Italy. An Italian spaghetti supper will follow, also prepared by Mr. Melosi. Hostesses for the evening will be Mrs. William Meyers, Mrs. Erna Toft, Mrs. A. Wollpert and Mrs. Rogers.

This is not a money-raising project, but to defray expenses a nominal charge is being made. Because of limited facilities, the party is being confined to Mothers Club members, their husbands, Emmons School teachers and board members. Reservations should be made with Mrs. A. Sodman, secretary, no later than Friday, April 18.

Emmons school Mothers' Club reminds all parents and residents of School District No. 33 of their civic duty to their children and community and urges you to attend the school board election on Saturday, April 9 from 12 to 5 p. m.

Mr. and Mrs. Joseph Rhymer of Antioch spent the weekend in Urbana with their daughter and son-in-law, Mr. and Mrs. C. W. Wikoff and family.

## Sunshine Club Meets With Mrs. Gleichner

Members of the Sunshine club held a regular monthly meeting Tuesday, March 29 at the home of Mrs. Oscar Gleichner at Voltz Lake. Following the current business session refreshments were served by the hostess with Elsie Jauch and Emma Klawitter, Silver Lake assisting.

## B. P. W. Club Addressed By State Dignitaries; Will Elect on April 25

Miss Zola Groves, executive vice president of the Business and Professional Women's Club of Illinois, and secretary to the attorney general of Illinois, and Miss Clarence Lawrence past state president, addressed the members of the Antioch B. P. W. club at the Scout House Monday evening.

Entertainment included accordion music by Jack Helgenenthal.

Mrs. Marie Lekawitch assisted by Mrs. Marie Vander Lester, Mrs. Shirley Stanich and Mrs. Crystal Schippman served refreshments.

Mr. and Mrs. Boyer Nelson and Mr. and Mrs. Wendell Nelson and sons, Craig and Stephen returned home Saturday night from a month's stay in Florida. They visited the Bernard Guillaumes at St. Petersburg and Mr. and Mrs. Pete Larson at Frost Proof and Bussie Kuelman on the Keys.

Mr. and Mrs. Harold Cushman left for their home in Madison, Wis., after spending a few days with their daughter, Mrs. Paul Kessenich and family on their way home from Florida where they spent the winter. They took their grandson Steve with them for a visit and his parents will go for him at Easter.

Mrs. Ben Burke returned home Monday after spending the winter at Phoenix, Ariz., Long Beach and Los Angeles, Calif. She was accompanied by Miss Mary Bristow of Columbus, O.

Paul Kesensich, football coach at Antioch High school, attended a football clinic at the University of Cincinnati last week.

Every seven minutes an American is saved from dying of cancer. With early diagnosis, twice as many could be saved. Join the American Cancer Society Crusade.

## Fifty Women's Club Members Make Trip To Johns-Manville

Nearly 50 members of the Antioch Woman's club met in front of the Scout House at 11:45 a. m. Monday and drove to the Johns-Manville Co. in Waukegan.

After being given an introduction to the plant and its product, the ladies were treated to a steak dinner in the cafeteria where five women were seated at each table with one man who served as their guide. During this period the following were introduced to the group: Mrs. Edmund Vos, who had arranged the tour; Mrs. Clarence Spering, program chairman; and Mrs. Dan Boyer, whose husband had been associated with the company for 35 years.

Mrs. Louis Biel, club president, reports that the club spent an interesting and instructive afternoon while viewing the construction plant, offices and medical facilities. The group disbanded at 4 p. m. to return to Antioch.

## Evening Circle to Hear Orphanage Director

Robert Beers, executive director of Lake Bluff Orphanage, will speak to the Evening Circle of the Methodist Church at 8 p. m., April 14 at the church. He will give the program of the Lake Bluff Children's Center. Mrs. Art Meyer will serve as hostess.

## Letter to the Editor

We hope that our neighbors in Antioch will help us in the toll road fight. Write your elected representatives in the General Assembly to investigate the Toll Road Commission, review the toll road law, and not grant further funds to this Commission until they are satisfied with the program.

As member of a fact finding study group since November when it was announced that a toll road was planned near Northbrook, Deerfield and Lake Forest, and Libertyville, we have turned up the following information to substantiate the need for such an investigation:

Prospective toll road bond buyers were handed a brochure by the Toll Commission in February, 1955, which stated: "Particular attention was paid to determine which section of the primary network could be improved to expressway standards at reasonable cost, and which could better be supplemented by toll highways." We know that engineering surveys had been completed for the improvement of Skokie Highway as a freeway as an extension from Edens Expressway to the Wisconsin line, and we were told that the Bureau of Public Roads was "one the verge" of granting approval for federal aid. But all these plans were discontinued one month after the Toll Commission was appointed in October, 1953.

Evan Howell, Chairman, Toll Commission is also listed as President of the National Turnpike Association which he organized in February, 1954. In the United States District Court, in January, 1955, he stated that he had invited investment bankers, contractors, and material men to join this organization.

Mr. Howell is chairman of a public agency, the Illinois Toll Road Commission. As a public servant, it is proper for him also to serve as president of a group with whom the public agency might do business? We the public, are entitled to know more about this National Turnpike association, its membership, purpose, activities, and financial arrangement.

Please contact immediately your representatives, A. B. McConnell, and W. J. Murphy, State Capitol, Springfield, and tell them you wish them to vote "YES" on House Resolution 19—to investigate the Toll Commission and Toll Road law. Also write your State Senator Robert McClory and tell him you wish him to support similar action in the Senate. Tell them all you do not wish further money appropriated for this Commission until they are satisfied with the program.

Mrs. Raymond Chan—Northbrook  
Mrs. Orville Fess—Deerfield  
Mrs. Claire Blount—Lake County

## Township to Take Over Indian Point Roadway

An Indian Point road known as Michigan Boulevard which starts at the end of the township road and ends at Ackerman's bridge will be taken over by Antioch township, it was announced yesterday by the Indian Point Improvement Association, which gave credit to Supervisor William Rosing for the accomplishment.

The road already had been surveyed and an estimate of \$783 has been given by the county to put it in shape for the township to take over. This cost will be paid by residents of the area the road serves.

## One in Four Saved

According to American Cancer Society statistics, of every four persons who get cancer, one will be saved, but three will die. One more could have been saved if the disease had been detected early enough.

## One Way to Cut Down Milk Surplus

EAST LANSING, Mich.—Here, perhaps, is the way to solve the milk surplus problem.

A Michigan State College graduate student survey showed that many people will drink milk instead of coffee—if they're given a choice for their restaurant meal.

The students took their survey at a college center which serves lunches and dinners to hundreds of groups holding meetings. Waitresses made sure the guests were given a choice of milk or coffee.

For 11 meals, 300 out of 1,777 people—11 per cent—chose milk. In a two-meal survey, only 4 per cent drank milk when they had to ask for it.

Before the survey, the center, like many other establishments, served coffee and the guest received milk only if he asked for it.

For another part of the survey, milk was placed at every plate—free. Eighty-four per cent of the guests drank it.

## Postal Clerk 'Gets' \$5,000 in Book Dues

NEW YORK—A postal clerk has admitted gathering in \$5,000 as a "participant" in a book club.

Postal inspectors said the clerk, Robert M. Leach, 45, Huntington, N. Y., made the mistake of taking his car to a garage where a mechanic noticed hundreds of envelopes in the car's trunk, all addressed to the Doubleday Book Club of Garden City. Inspectors also found other envelopes in Leach's locker at the Garden City Post Office.

Inspectors said Leach admitted raiding Doubleday's mail of checks for the past five years. He was charged with embezzling mail. If convicted he could be sent to prison for five years and fined \$5,000.

## SEGALS

I Love A Lassie!

The details make the difference... like the fine stitching, the wooly pompon trim and tapered sleeves. In a choice of Spring colors in Nubtone, 8-18. And remember... the lining of every Lassie is guaranteed for the life of the coat. \$49.95

## GREAT DAY FOR MURRIES

Tuesday was a great day for the Murries.

M. E. Murrie was re-elected Avon Township supervisor without opposition and his nephew, Lloyd E. (Red) Murrie of Antioch was chosen over five others as supervisor of Antioch Township.

M. E. Murrie said he was quite proud of his nephew and will be glad to see him on the county board. Young Murrie is the son of the late Roy Murrie, who for 30 years was Antioch's village clerk. After his death six years ago, Lloyd took over the filling station and has operated it since. This is his first adventure in politics.

## Handles Bradley Publicity For Shakespearean Show

Robert C. Wilton, son of Mr. and Mrs. Robert J. Wilton, 984 Victoria st., is handling publicity for the third annual Shakespearean production at Bradley University, Peoria, Ill. "A Midsummer-Night's Dream" will be the all-university show for April 21-22.

Wilton, a junior in commerce at Bradley, and member of Theta Chi Fraternity, was active in sports at Antioch Township high, where he also worked on his yearbook.

Mr. and Mrs. Paul Erickson, of Deep Lake road returned home Friday after a month's vacation in Florida.

Mrs. H. B. Gaston is spending the month of April with her father and mother, Mr. and Mrs. Martin Erkman, at Carmi, Ill.

Mrs. Lilliane Gabel of the Belle Aire Beauty Salon spent the past week visiting Mr. and Mrs. Arthur Coleman at Miamisburg, Ohio.

### Wilmot High Defeated Union Grove 8 to 2 in Game Away Wednesday

Wilmot High School opened its baseball season Wednesday with an 8 to 2 victory over Union Grove. Benedict went all the way on the mound with Thornton doing the receiving. Kerkman for Union Grove was replaced in the fourth by Hansen and Wees did the catching.

Wilmot scored 1 in the first, three in the second, three in the fourth, and one in the fifth, while Union Grove scored two in the seventh.

The baseball and track schedules for Wilmot are as follows:

**Baseball Schedule**  
Wednesday, April 13—Waterford at Wilmot  
Thursday, April 21—Wilmot at Lake Geneva  
Monday, April 25—Delavan at Wilmot  
Thursday, April 28—Wilmot at Mukwonago  
Thursday, May 5—East Troy at Wilmot  
Monday, May 9—Wilmot at Whitewater  
Thursday, May 12—Elkhorn at Wilmot  
Thursday, May 19—Wilmot at Burlington

**Track Schedule**  
Friday, April 15—Mukwonago, Elkhorn and Wilmot at Elkhorn.  
Wednesday, April 20—Mukwonago, Elkhorn and Wilmot at Wilmot (tentative)  
Tuesday, April 26—Union Grove, Hartland and Wilmot at Wilmot  
Wednesday, May 13—East Troy at Wilmot (tentative)  
Friday, May 20—Sectional at Whitewater  
Saturday, May 28—State Meet at Madison

**Treatments Tested**  
Hormones, secretions of ductless glands such as the adrenals, pituitary and sex glands, are useful tools for treating specific types of cancer, says the American Cancer Society, now conducting its annual campaign for funds.

**Atoms Fight Cancer**  
Radioactive isotopes from atomic furnaces aid in treating some cancers, in locating others, and as tracers in basic cancer research, supported by contributions to the American Cancer Society.

**More Clinics Needed**  
There are 633 approved cancer clinics in the United States. Twice this number are needed, the American Cancer Society states. Contributing to the ACS Crusade will help provide them.

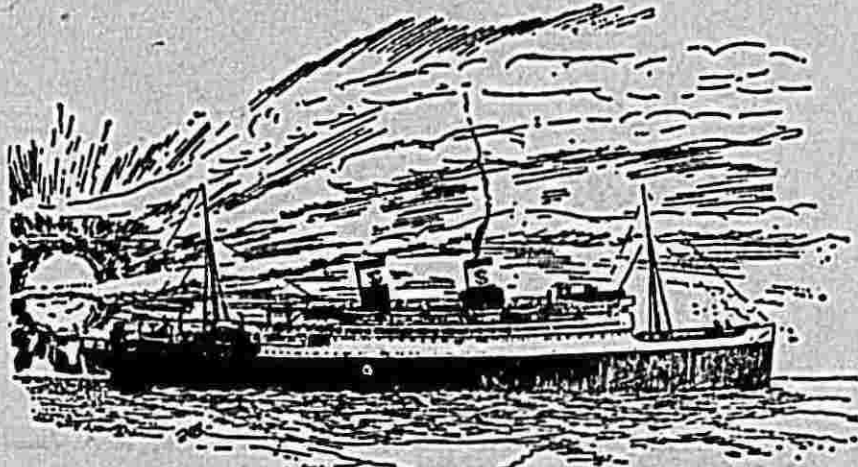

### EDDIE the EDUCATOR says

Johnnie's eight month school term meets the law. He loses one year in eight compared with Tom. The law can give him a better chance by requiring a minimum of nine months.

Illinois Education Association

### A Famous American Ship

The PRESIDENT COOLIDGE, famed round-the-world liner, was the largest American merchant ship to be lost in World War II, according to the American Merchant Marine Institute. She was built in 1931 for trans-Pacific service. When launched the PRESIDENT COOLIDGE was the largest ship ever built in the United States. Her loss in World War II was doubly tragic because she struck an American laid mine in an early war snafu. Only two of the nearly 5,000 troops on board were lost. Strategically her loss was serious. Foreign ships were not available, and America had very few liners of this size. If the situation was bad then it is critical now. America's passenger ship fleet has almost disappeared from the seas. Only three major passenger liners have been built since the war.

THANKS AGAIN.

Lloyd E. "Red" Murrie

## Ford sells more because it's worth more

The new Ford Fairlane Town Sedan is an outstanding example of modern 4-door design.

In 1954, more Fords were bought by the motoring public than any other make. That's because more and more people are discovering that Ford has more to offer!

FOR YEARS, Ford has been the trend-setter in all the features that make a car worth more . . . V-8 power . . . Ball-Joint ride . . . modern styling. And today, Ford brings you even more good reasons to buy.

First, Ford offers the reassuring response of new Trigger-Torque power in your choice of two new and mighty V-8 engines or the industry's most modern Six.

Next, Ford for '55 brings you a new, and smoother, Angle-Poised Ride, made possible by Ford's advanced new Ball-Joint Front Suspension system.

And finally, in just plain good looks, Ford's farther out front than ever. With brand-new styling inspired by the long, low lines of the fabulous Thunderbird, Ford is America's most beautiful buy!

**FORD, the new  
BEST SELLER...  
sells more because  
it's worth more!**

See why Ford is America's No. 1 buy! Test Drive a '55 **FORD**

## LAKE VILLA

A sunrise service will be held at the Community church at 6:30 on Easter Sunday, and the men of the church will serve breakfast afterward. There will be two other services of worship—one at 9:30 and another at 11 a. m. The Cherub choir will sing at the 9:30 service, the Junior choir at 11 a. m. and the Senior choir will sing at both services. There will be no church school on Easter Sunday.

The sacrament of the Lord's Supper will be observed at the Community church at a service at 8 p. m. on Holy Thursday, and on Good Friday at 8 p. m. the Community church will join with the other religious groups in the community in a union service at the Community church. Dr. J. Richard Drees, associate pastor of the First Methodist church, Evanston, will preach, and his topic will be "The Meaning of the Cross." All are welcome.

A number of infants were baptized at the Community church last Sunday and more than thirty adults received into membership at the worship service. A reception was held at the church during the evening.

Mr. and Mrs. C. N. Dunbar and Stanley who have been in Florida all winter near their daughter and sister, returned Saturday to their home in Little Lake Highlands.

Joseph Pleviak, teacher at the grade school here, was called to his home in Pennsylvania by the death of a relative, and was absent from school last week.

Dr. Victorie Lestinas, personal friend of Rev. and Mrs. Plummer for some time, and her two sons, Barrie and Bradley, of Elgin, Ill., were guests at the parsonage on Palm Sunday.

Mrs. F. Emerson and Mrs. J. York who were past worthy matrons of

Blair chapter O. E. S. in Chicago were escorted to the East at a meeting last Monday evening, and on Tuesday evening, Mr. Emerson, past master of Sunset lodge in Chicago, and his nephew, Jack Emerson, were honored guests.

Mrs. F. Emerson and Mrs. R. Barkley, her guest, were guests at the Levy home at Round Lake last Tuesday, and on Wednesday Mrs. Emerson, Mrs. Sara Feinstein and Mrs. Rose Jalowsky visited the rest home near Fox Lake.

Mr. and Mrs. Martin Lau, who have been in Florida and in San Diego and San Fernando valley in California to visit relatives, have returned to their home in Venetian Village.

Dr. and Mrs. M. H. Gindich returned Monday to their home here after having spent the winter months in Miami, Fla.

Mr. and Mrs. Al Boehm of Wedges Corners have been in Alexandria, Va., with their daughter, Mrs. M. V. Reynolds and husband for the past two or three weeks.

Mrs. Arthur Atwell spent a few days recently in the hospital and is recuperating at the home of her sister, Mrs. Frank Richards west of the village.

Chief Petty Officer Jos. F. Botts of the U. S. Navy, and stationed at San Diego, Calif., is here on a ten day leave to visit his wife Edna and son Danny at the home of Mrs. Botts' parents, Mr. and Mrs. Leo Barnstable.

The local fire department has been kept very busy with grass fires in the surrounding territory during the past week. The grass is extremely dry and great caution should be used especially if the wind is blowing.

Mrs. Mamie Cannon of Gurnee spent Sunday with her daughter, Mrs. Henry Bennecke and family and was present at the baptism of their son at the Community church.

New Leadership for the Leader in the 16,001-19,500 GVW Class!

New R-1700 models provide faster, thrifter hauling. 4-speed transmission standard. 5-speed direct-in-fifth or 5-speed overdrive available. GCW, 35,000 lbs. R-1700 Series GVW rating 16,000-20,000 lbs.

## NEW R-1700 Series

With an engine that tops 'em all for efficiency—the all-new 140-hp. INTERNATIONAL Black Diamond 264!

All-new 140-hp. Black Diamond 264 engine combines famous INTERNATIONAL long life with new, economical sustained-power performance. Has new dual-barrel carburetor, new manifold, 7.0-1 compression ratio—new low-friction design with 3-ring controlled-expansion pistons—new 50° ramp camshaft for longer valve life—new solenoid-type over-running clutch starter—new 11-inch clutch with 15% more lining area, 25% less pedal pressure. Maximum engine torque: 234 lb-ft at 2000 rpm.

Your trade-in may cover the down payment. Ask about our convenient terms.

New models and new features keep coming from INTERNATIONAL all the time! Here now are 1955's first—the R-1700 Series, designed by the leader in the 16,001-19,500 GVW range—to bring new hauling profits to every operator using trucks in this class.

These brilliant new trucks far surpass all former INTERNATIONALS in this GVW classification. And they are powered by an engine that puts out more horsepower per cubic inch than any comparable 6-cylinder truck engine on the road!

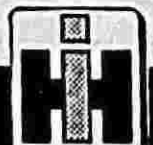

Come in and get full facts on these new INTERNATIONALS. You'll quickly see why—in performance, economy, efficiency—they outrank anything in the 16,001-19,500 GVW class.

## Tips on Traffic Safety

By  
CHARLES F. CARPENTIER  
Secretary of State

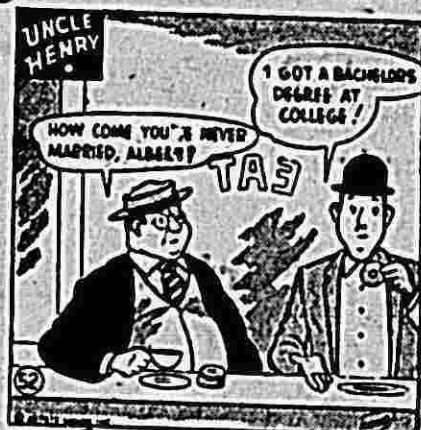

Your record as a driver may cost you your driver license. The new Drivers License Act gives the Secretary of State the discretionary authority to revoke or suspend the license of any driver who is habitually reckless or negligent in the operation of his car. (Section 24.)

The new law also provides for the Secretary of State to maintain a central file of all convictions for traffic violations. (Section 28.) It will make no difference if a driver is arrested for speeding, reckless driving, running stop signs or similar offenses in such widely separated parts of the state as Rockford, Cairo, Quincy and Danville, all the convictions will appear on his record in the Secretary of State's office. Courts are required to report them, whether they are violations of a state law or a city ordinance. (Section 32.)

When an individual's record begins to look bad, the Secretary of State may call that person in for consultation and possible re-examination. If, even after that, he persists in consistently violating traffic laws, the Secretary may revoke or suspend his license. If he is convicted of reckless driving three times within one year, the Secretary is required by the law to revoke his license. (Section 34 (a) 6.)

When an individual's record begins to look bad, the Secretary of State may call that person in for consultation and possible re-examination. If, even after that, he persists in consistently violating traffic laws, the Secretary may revoke or suspend his license. If he is convicted of reckless driving three times within one year, the Secretary is required by the law to revoke his license. (Section 34 (a) 6.)

When everything else costs so much...

Your electric friend

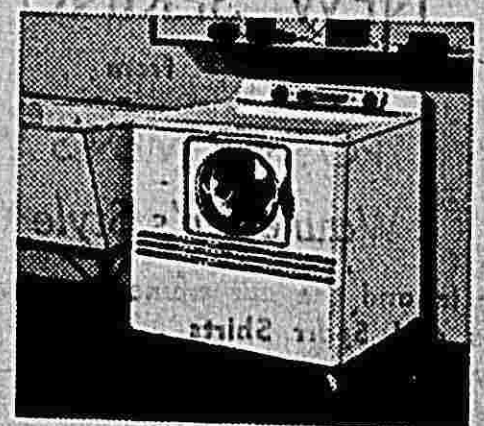

**"LITTLE BILL"**  
still works  
for pennies  
a day—

## How Public Service Company keeps your electric bill down

Though the cost of living has doubled—today electricity actually costs you less per kilowatt-hour than it did 25 years ago.

Many new ideas have helped Public Service Company keep the cost of electricity low. Today, for example, we send out your electric bill every two months. This cuts the cost of bookkeeping, printing and meter-reading in half. And, by putting your bill on a post card, we also save on envelopes and postage. These "little savings" all add up to a big saving for you in lower-cost electricity.

So today, while you're using far more electricity than 25 years ago, you're actually getting more of it for your money (almost twice as much, in fact).

For just pennies a new electric dryer dries an entire family wash... automatically. No lugging or heavy lifting—the job is done, rain or shine.

**PUBLIC SERVICE COMPANY**

## Easter Services . . .

(continued from page 1)  
a. m. with a Sunday School for children through the sixth grade being held simultaneously. The second service will be at 11 a. m. The choir under the direction of Charles Watson will have special music suitable to the day. Louise Royer will be at the organ. The Rev. Howard C. Benson will preach.

Margaret Santer is church school superintendent and E. W. Kufalk is head usher.

The Methodist Youth Fellowship will hold a sunrise service Sunday morning at Fox River park. The young people will meet at the church at 8 a. m. A breakfast will be served at the church following the service. All young people are invited and tickets for the breakfast may be purchased from Carole Hansen, phone 146-M-2.

**St. Ignatius' Services**  
Prayer watch and vigil will begin at 7 p. m. today at St. Ignatius Episcopal Church and continue until 12:01 p. m. tomorrow, Good Friday. Good Friday Eucharist will be held at 9 a. m. according to Edmond Hood, rector. A three-hour Good Friday service will be held from noon until 3 p. m.

There will be the blessing of the New Fire at 8 p. m. Saturday and on Easter Sunday there will be the usual services at 8, 9:30 and 11 a. m.

**Outdoor Service**  
A special Easter Sunday sunrise service will be held at the Grayslake Outdoor theatre at 6:30 a. m. Sunday. The event is under the sponsorship of the United Protestant Church of Grayslake.

Planned as a family-come-as-you-are service, the persons attending will remain in their cars, using the regular sound system of the theatre which has been donated for this use by the manager Frederick Dobe. The service will be carried on the air by station WRKS, Waukegan.

**Supt. Whitacre Home**  
Supt. Richard Whitacre came home Monday from St. Therese hospital where he recently underwent surgery. He was strong enough to go to the poll to vote Tuesday and is making rapid progress toward recovery.

## To Sing at A. T. H. S.

CHARLES KING

Charles E. King, baritone, will present a musical program to the students of the Antioch Township High school at 1:20 p. m. Friday, April 15. Adults of the community are invited to attend the excellent presentation, and there is no admission charge. The program is sponsored by the Student Council.

Charles King was conductor of the Wings Over Jordan Choir, the NBC production which so successfully toured the United States and Europe. He has appeared in dramatic singing roles in Show Boat, Green Pastures and Porgy and Bess. He has given recitals in most major cities, including New York, Boston, Chicago and Hollywood.

**Leave for Norfolk, Va.**  
Dick Radke of Norfolk, Va., spent the weekend with Mrs. Radke and his parents, Mr. and Mrs. Maurice Radke. Mrs. Radke, the former Dolly Erickson, who has been staying with her parents, Mr. and Mrs. Paul Erickson while her husband traveled in naval service, returned to Norfolk with him Monday.

**70 Per Cent Curable**  
Only 15 per cent of rectal cancers are cured today. Early diagnosis and prompt treatment could increase cures to 70 per cent, the American Cancer Society says. Giving to the Cancer Crusade can help make this possible.

## Stranger Takes Pontiac For Demonstration and Steals Tire and Wheel

Robert Lindblad, local Pontiac dealer, is issuing a warning to other dealers to be on the lookout for a thief who poses as a prospective customer.

On Monday of this week the man came to the agency and said he was interested in buying a car without a trade in. He was shown a new car and then asked to take it out to show his wife, saying they lived on Main st. a short distance south of Rte. 173.

Lindblad was alone at the time and could not leave for the demonstration. He thought the man's face familiar so he agreed to let him take the car. Two hours went by and the car was not returned. Then Lindblad sent his service manager Dick Store to hunt for the car and found it parked on Main st. in front of the Antioch Packing Co. market.

Patrolman Sheridan Burnette was about ready to place a ticket on the car for overtime parking. The keys were in the lock, so Lindblad told the police he would take the car and if a theft report was given, to notify the person that he had taken it.

However, when Bob got in the car he noticed the cigarette lighter was missing, and he decided to investigate. He looked in the trunk and a spare wheel and tire, and the

wrenches were missing. Because of the threatened strike and tire shortages, many cars now don't have spare tires, and it is thought that the thief is making a practice of collecting them for ready sale.

## NOTICE FOR BIDS

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Board of Trustees of the Village of Antioch, Illinois, at a meeting Tuesday, April 19, 1955, until eight o'clock P. M. at the Village Hall, Antioch, Illinois, for the purchase of Bodily Injury and Property Damage Liability and Physical Damage Insurance, in accordance with specifications on file with the Village Clerk, which specifications will be made available to all parties desiring to bid.

Bids shall be addressed to Clarence B. Shultis, Village Clerk of the Village of Antioch, and shall be in his hands on or before 8:00 P. M. April 19, 1955.

The Board of Trustees reserves the right to reject any and all bids, to waive any informalities in any bid, and to accept any considered advantage to the Village.

This advertisement is made pursuant to direction of the Board of Trustees of the Village of Antioch on the fifth day of April, A. D. 1955.

Clarence B. Shultis,  
Village Clerk
